Achieving Leadership Success through People & Innovation

Lead More Effectively by Creating Rapport, Synergy and Two-way Trust

Why Choose this Training Course?

Get ready to recharge yourself with new energy to propel your career, increase job satisfaction, and add greater value to your organization. This seminar will show you how you will learn the combination of attributes and skills you need to accelerate your career positively and successfully along your professional path, now and into the future. Become a positive force for your organization, your customers, and your colleagues.

Who is this Training Course for?

This course is designed for professionals at all levels and across all functions or disciplines, who seek to inform and enhance their organisational and professional practice. It is specifically directed at those who wish to take responsibility for identified “gaps” between their current performance and the level of potential to which they aspire. This developmental course seeks to establish impactful behavioural changes that add value to employees, managers and leaders alike.

Within the organisational context the course may have specific appeal to:

- All professionals who seek to enhance their true potential through applying best practice in interpersonal skills
- Those employees who have had limited opportunities for personal and career based development training
- Those who may be moving into supervisory or managerial positions and wish to learn tools and tactics for productive inter personal behaviour
- Experienced professionals seeking a “refresher” course that will enhance their interpersonal, team and management skills.
- Employees identified as “high potential” for “fast track” candidates who are likely to move into management posts in the near future and require the tools and techniques to build positive relationships

What are the Goals?

In this 10-day course you will learn to:

- Develop winning relationships by building strong trust
- Increase your personal productivity by working smarter, faster, and better
- Resolve conflict situations constructively by applying effective negotiation skills
- Understand the team concept, how to be a team player and promote teamwork
- Demonstrate initiative and leadership skills from your current position

How will this Training Course be Presented?

The course uses the latest thinking in adult learning principles including experiential exercises, self-assessments, video dramatizations, skill practices, case studies, behavior modeling, and group discussion. The emphasis is on application rather than theory. It enables participants to learn new competencies and gives them the tools to apply them back home.
