- Develop winning relationships by building strong trust
- Increase your personal productivity by working smarter, faster and better
- Resolve conflict situations constructively by applying effective negotiation skills
- Understand the team concept, how to be a team player and promote teamwork
- Demonstrate initiative and leadership skills from your current position

**WHO IS THIS TRAINING COURSE FOR?**

This AZTech training course is designed for professionals at all levels and across all functions or disciplines, who seek to inform and enhance their organisational and professional practice. It is specifically directed at those who wish to take responsibility for identified “gaps” between their current performance and the level of potential to which they aspire. This developmental training course seeks to establish impactful behavioural changes that add value to employees, managers and leaders alike.

Within the organisational context this AZTech training course may have specific appeal to:

- All professionals who seek to enhance their true potential through applying best practice in interpersonal skills
- Those employees who have had limited opportunities for personal and career based development training
- Those who may be moving into supervisory or managerial positions and wish to learn tools and tactics for productive interpersonal behaviour
- Experienced professionals seeking a “refresher” course that will enhance their interpersonal, team and management skills
- Employees identified as “high potential” for “fast track” candidates who are likely to move into management posts in the near future and require the tools and techniques to build positive relationships

**HOW WILL THIS TRAINING COURSE BE PRESENTED?**

This AZTech training course uses the latest thinking in adult learning principles including experiential exercises, self-assessments, video dramatizations, skill practices, case studies, behavior modeling, and group discussion. The emphasis is on application rather than theory. It enables participants to learn new competencies and gives them the tools to apply them back home.
